

Financial Services Guide (FSG)

Date of issue: 1 October 2018

About this guide

This Financial Services Guide (FSG) explains the financial services provided by Millennium3 Financial Services Pty Ltd (Millennium3) and your adviser (who is authorised through Millennium3). It is designed to help you make a fully-informed decision about whether you want to use our services.

Please take the time to read this guide carefully. Sound financial advice is based on open communication. Understanding our services and our fees is the cornerstone of this communication. It's also important that you know who authorises your adviser, the nature of their associations and relationships and what to do if you have a complaint. If you have further questions, or if there is anything that isn't clear please talk to your adviser or contact us.

This guide must be accompanied by an Adviser Profile which outlines your adviser's skills, qualifications and the services they are authorised to provide.

Welcome

Millennium3 advisers offer professional financial advice strategies to prepare for life's financial ups and downs and help achieve future security.

Who we are

Millennium3 is one of Australia's largest financial planning groups with origins tracing back over 30 years.

Millennium3 has an extensive network of circa 300 qualified financial advisers located in all states, with head offices located in Sydney and Brisbane. Each Millennium3 practice is locally owned and employs highly qualified and authorised financial advisers. Your adviser is either a self-employed practice owner or employed by the practice as an adviser. Collectively, Millennium3 advisers service around 300,000 clients with over \$7 billion dollars in funds under advice and \$250 million life insurance protection premiums.*

Millennium3 is a wholly owned subsidiary of IOOF Holdings Limited (IOOF).

What we do

Millennium3's network of advisers provide a range of financial services including investing, superannuation, retirement and insurance. Specific information about the services your adviser is authorised to provide and their qualifications are contained in the attached Adviser Profile.

It is critical that your adviser gets to know you to ensure that any recommendations made are appropriate for your individual needs and circumstances. We encourage you to be open and honest with your answers and understand that personal, family and business issues can be quite private. We stand by our promise to maintain your privacy. You can find out more about how we protect your privacy under the heading 'Protecting your privacy'.

* figures are accurate as at August 2018.

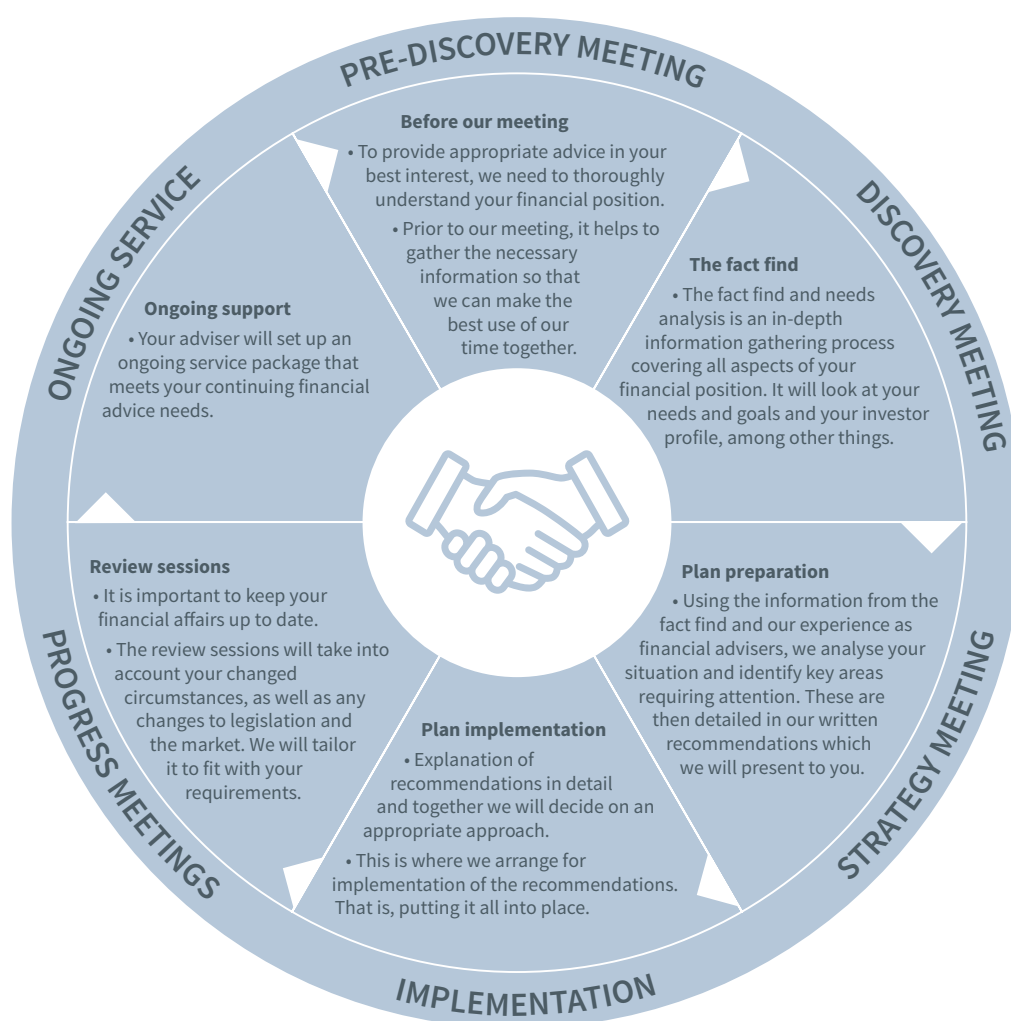

If incomplete or inaccurate information is provided to us this may result in inappropriate advice being provided, or we may not be able to provide advice to you.

If it is established that you have needs outside of the expertise of your adviser, or your adviser cannot access products which are in your best interests, they may first leverage the Millennium3 network to try and obtain suitable support. If your adviser is unable to access suitable professional connections that can provide appropriate support in your best interests then you will be informed that advice cannot be provided. Once we agree with you the scope of the advice you require, and the costs involved for this advice, we will ask for your agreement to proceed. We may charge a fee for preparing your advice, even if you decide not to implement our recommendations.

We are required by law to undertake certain checks which are very similar to those used when opening a bank account. This ensures we comply with the Anti-Money Laundering and Counter Terrorism Financing Act.

How we work

A strong partnership with your adviser is based on a number of key meetings and deliverables designed to understand your needs, identify your priorities and provide quality financial strategies and education to help deliver you a brighter future. The various stages that may be included in this process are shown in the following diagram. Your adviser will work with you to determine a process that is appropriate for you.

Important documents you can expect to receive

When your adviser provides personal financial advice for the first time you will be provided with a Statement of Advice (SOA). The SOA details your personal advice, along with the basis for the advice. If you are given additional advice at a later time, you may be given a further SoA or Record of Advice (RoA).

An RoA can only be used to provide advice if there has been no material change to your circumstances or strategy since your previous SoA. Your adviser may provide you with a RoA document or the advice may be provided verbally. If you are given verbal advice, your adviser will document the discussion and a copy of this record can be made available to you on request.

Copies of any previously supplied advice documents are available from your adviser.

If your adviser recommends the purchase of a financial product (other than ASX-listed securities) you will be given a Product Disclosure Statement (PDS) containing information about that product. We encourage you to read it and ask your adviser any questions you may have about the product.

If you want your adviser to undertake a transaction without providing you with advice, your adviser will issue you with a letter confirming your instructions and disclosing any fees and charges payable by you and any benefits we may receive.

We will clarify and agree all fees and payments with you before providing our advice and services.

How you can instruct your adviser

You may provide instructions to Millennium3 or your adviser by email, fax, letter, or telephone. In some instances we can only accept instructions in writing; if this is the case, we'll let you know.

Approved Products List

Only products that have been examined by IOOF's experienced research team are placed on our Approved Products List (APL).

Products on the APL include those offered by our related companies, including Australian Executor Trustees Limited, IOOF Investment Management Limited, IOOF Ltd, Managed Portfolio Services Limited and Perennial Investment Management Limited. Our related companies are the registrable superannuation entity licensee and/or responsible entity, operator or investment manager of financial products we may recommend. They will receive fees and benefits as disclosed in the relevant PDS if you purchase the product.

In late 2017 IOOF announced that it will acquire OnePath Funds Management Limited, OnePath Custodians Pty Limited and Oasis Funds Management Limited from ANZ. The purchase is expected to be finalised in late March 2019. From this date, these companies will also become related to Millennium3. As part of the acquisition, our APL will continue to include certain ANZ banking products and life insurance products issued by OnePath Life Limited provided those products continue to be suitable for our clients' needs and providing they comply with our legal obligations.

Your adviser will first source from the APL before providing any recommendations. This means any investment your adviser recommends has been thoroughly researched. They will only recommend a product after considering its appropriateness in relation to your individual objectives, financial situation and needs. Where your strategy requires products other than those on the APL to act in your best interests, the research team will be consulted and an alternative solution will be recommended.

Ongoing services

As your circumstances change over time, it is important that your adviser regularly reviews both your strategy and your situation to ensure recommendations remain current and appropriate to your changing circumstances. Our ongoing services program can include varying levels of advice, review, contact and information. Your adviser will discuss and agree your specific ongoing service requirements as part of the provision of your initial advice.

Should you choose to enter into an ongoing fee arrangement with one of our advisers you will receive an annual Fee Disclosure Statement (FDS). The FDS provides a summary of the services you were entitled to, the services you received, and the amount you paid for those services on an annual basis.

How we are paid

The licensee (Millennium3) collects all advice fees and product revenue and pays these onto the practice. Your fees may be paid directly to Millennium3 or they may be deducted from products used. Your adviser will fully disclose all fees, product revenue and payments and will not implement their advice until these are agreed with you.

Millennium3 has arrangements with investment, superannuation and insurance providers and rebates may be paid based on the amount invested as a group or sum of premiums paid or payable on insurance policies entered into prior to 1 January 2018. Your adviser may be entitled to a share of the rebate and this will, or would have been, disclosed at the time he or she provides you with advice. This is not an additional cost to you.

We are committed to an open and honest fee structure for the advice and services we provide. The cost of your advice will depend on the nature and complexity of your circumstances and the service provided. The Adviser Profile attached to this document explains in full how your adviser is paid.

Commissions

Millennium3 may be paid upfront and ongoing commissions for products we recommend to you. Commissions are paid to us by the relevant product provider and will be disclosed in our written advice to you.

For insurance products, commissions are based on a percentage of your premium. On all commission arrangements where the commission in the first year is greater than that payable in later years:

- the maximum upfront (year 1) commission is 80% from 1 January 2018, 70% from 1 January 2019 and 60% from 1 January 2020, and
- the maximum ongoing (years 2+) commission is 20% from 1 January 2018.

Where upfront and ongoing commission are the same, there is no legislated maximum however product providers generally pay up to 33%.

For insurance products purchased prior to 1 January 2018, we may continue to be paid commissions in the same manner as what would have previously been advised to you at the time of obtaining the product(s).

From 1 July 2013, commissions were banned on new investment and superannuation products. In certain cases, for products purchased before 1 July 2013, we may continue to be paid initial commissions of up to 5.12% of amounts invested and ongoing commissions of up to 1.1% of the account balance.

Referral partners

Your adviser may have referral relationships with third parties. These third parties may include accountants, mortgage brokers, general insurance brokers, solicitors, real estate agents and other third parties who specialise in a specific field.

If you are referred to your adviser by one of these third parties, that third party may receive a referral fee, commission or non-monetary benefit. Similarly, your adviser may receive monetary or non-monetary benefits if they refer you to a third party with whom they have a referral relationship. Referral fees can vary and may be up to 40% of revenue received or an equivalent or lesser value non-monetary benefit. This fee is not an additional cost to you. Advisers can change their referral relationships over time and, as such, the referral fee ranges may also vary over time. All referral payments or non-monetary benefits relevant to your advice are disclosed in the written advice that is provided to you.

Associated businesses

Your adviser may have associations with other related businesses. Where these associations are relevant to the advice being provided to you, they will be disclosed in your written advice.

• Product and service provider sponsorship payments

Millennium3 may receive sponsorship payments from product and service providers to fund technical and professional development training for our advisers.

• Benefits through product providers

Our practice owners or advisers may apply for and may qualify to receive commercial terms on a range of banking products and services such as interest rates and limited recourse terms.

Product providers may pay advisory fees to Millennium3 or an investment management entity associated with Millennium3. In the event of this occurring, the fee is calculated as a percentage, likely to be up to 0.15% of the managed account or separately managed account portfolio balance. Your adviser will not receive any of this fee and the fee does not create any additional cost to you. Where required, the fee will be disclosed in our written advice to you.

• Other payments

We keep a full register of any benefits received by advisers of between \$100 to \$300. By law, your adviser is not permitted to receive benefits in excess of \$300 per year from a product issuer. In addition, Millennium3 keeps a register of any other non-monetary benefits your adviser may receive in relation to education, training, technology support or software that is relevant to the provision of financial advice. If you would like a copy of either register, please ask your adviser and one will be made available to you.

How I am paid

As the licensee, Millennium3 collects all advice fees and commissions. Millennium3 then pays the fees and commissions, less an agreed amount (the licensee fee), to my Practice. The licensee fee retained by Millennium3 can range between \$0 and \$150,000 (excluding GST) per annum.

My Practice pays me out of the fees and commissions it receives from Millennium3, by one or more of the methods outlined below.

- **Salary** – I may be paid a salary based on my experience and capability.
- **Bonus** – I may be eligible to receive a bonus, based on a combination of revenue and certain non-financial measures (such as the quality of my service).
- **Profits** – I may be eligible to receive a percentage of profits from the Practice.
- **Other** – I may also receive other benefits, all of which are outlined in the FSG or will be disclosed in the advice document at the time of providing advice.

At the time of providing advice, I will disclose the amounts that Millennium3, the Practice and I receive (if any) as a result of that advice.

Client fee and payment options

Before providing advice, we will agree the fees and payment options with you. The fee you pay will depend on the complexity of your circumstances and the services you require.

Your options to pay for our services can include fee for service, commission, or a combination of both.

Fee for service

Fee for service is based on the service we provide. This fee can be determined by:

- An hourly rate
- A percentage of funds invested (excluding borrowed funds)
- A fixed dollar amount
- A combination of these methods

We can invoice you directly for our fee for service. Alternatively, some products allow an adviser service fee to be deducted from the balance of your investment.

Commissions

Some product providers pay commissions to Millennium3. The amount of commissions received will depend upon the type of product and the amount invested or premium paid.

If we receive commissions as a result of recommending a product to you, we may reduce our fee for service. In the event that we reduce our fee for service in this manner and you decide not to proceed with our recommendations, or if your insurance policies are cancelled within the first 2 years' of acceptance (in which case the insurer claims back all or some of the commission paid to us), we may invoice you directly for the cost of our service.
